# **problems of cryobiology and cryomedicine**

## **contents**

### **review**

<i>Repin N.V., Marchenko L.M., Govorukha T.P., Goltsev A.M.</i> Opportunities of electron microscopy when solving cryobiological tasks. Retrospective analysis.....	3
---	---

### **original contributions**

#### **theoretical and experimental cryobiology**

<i>Moisieieva N.M., Gulevskyy O.K., Gorina O.L.</i> Effect of leu-enkephalin (Dalargin) on apoptosis and necrosis of leukocytes after cold stress.....	14
<i>Kovalov G.O., Chabanenko O.O., Orlova N.V., Shpakova N.M.</i> Osmotic resistance of rat's erythrocytes after local cold injury.....	24
<i>Bogdaniuk A.O., Garkavii V.V., Petrushko M.P.</i> Seasonal variability in cryoresistance of Saanen goats spermatozoa and reproductive characteristics.....	34

#### **cryomedicine, clinical and experimental transplantology**

<i>Lebedinets V.V., Ostankova L.V., Bondarovich M.O., Lutsenko O.D., Lebedinets D.V., Grisha I.G., Ostankov M.V., Parkhomenko K.Yu., Goltsev A.M.</i> Lyophilized human cord blood leukoconcentrate to treat brain ischemia in Rats.....	44
--	----

### **short communication**

<i>Lomako V.V., Pirozhenko L.M.</i> Effect of cryopreserved human cord blood on leukocyte indices in rats.....	58
<i>Zavhorodnii A.I., Bilushko V.V., Paliy A.P., Kalashnyk M.V., Kalashnyk N.V., Paliy A.P.</i> Freeze-drying improved the stability of tuberculin purified protein derivative (PPD) in mammals.....	63
<i>Campos S., Paredes E., Troncoso J.</i> Can sea urchin eggs shelf-life be extended by cold storage?.....	68

### **chronicles**

<i>In memoriam:</i> Yevhen Dmytryvych Khvorostov (September 13, 1939 – January 26, 2022).....	72
